2018-2019 SEASON

INTRODUCTION

Welcome to the world of racing, to the Eastern States Speedway (1995) Inc Youth Ministock class, and to the future of Speedway.

“The Black & White Book” has been introduced to eliminate any “grey” areas in Eastern States Speedway Youth Ministock class, and in association with the Speedway New Zealand Rulebook will form the rules and regulations under which, once accepted in the disclaimer, you will race.

“The Black & White Book” is to be used as a constructive, positive and fair tool towards the running of the classes.

You are encouraged to voice opinions, views, and constructive criticism in an appropriate manner, ie to your Rep and/or Class Mentors.

While everyone will not agree all of the time, the focus has to remain on the harmony of the Class, and in this regard your respect and acceptance of any decision made is appreciated.

The focus of the class is to educate youth in the skill of driving and the sportsmanship of racing while respecting safety and having fun.

This is NOT a contact class, ie intentional hitting of other cars on the track. The Officials of Speedway New Zealand, the Club Committee and Rep will deal with ANY attempt at such. The outcome of such judicial procedure will not be negotiated, and such punishment will be given on a fair and consistent basis.

Eastern States Speedway encourages you to read the following rules and regulations and upon acceptance of such, invites you to become a part of our Speedway family and join in the fun as we all go racing.

DRIVERS, PARENTS, GUARDIANS, CREW AND ASSOCIATES are asked to consider the impact of the following:

- Making negative Internet comments BEFORE posting
- ANY text and/or internet bullying
- ANY liking of negative posts or internet bullying
- ANY bullying in person
- ANY physical abuse, pushing, shoving or making any form of physical contact
- ANY offensive language or name calling
- ANY death threats

Eastern States Speedway (1995) Inc reminds you that any of the above, by the driver, parents, guardians, crew and associates **ENSURES AN INSTANT STAND DOWN** for the driver. The decision to allow you to re-join the class and race will be discussed with the Committee, and your membership revoked/renewed following that meeting.

Eastern States Speedway Inc reserves the right to accept or decline any request or renewal of Club Membership.
THE DECISION OF THE COMMITTEE IS FINAL!

Eastern States Speedway (1995) Inc is run by volunteers, therefore you are encouraged to offer support and assistance and respect their efforts at all times.

RACE NIGHT

Scrutineering of your race car will be made as indicated by your Rep. Should a situation arise that threatens your ability to race if you don't make changes to your vehicle to meet safety requirements, discuss these with your Rep.

Return your car to your pit park and proceed to the gear checking shed where your gear check will be undertaken.

Pitcrew – All pitcrew should be members of the club. If they are not a member of the club you will be required to purchase an armband for \$10.00 each. You must ensure that you have a maximum of 5 crew per car. If you require more, talk to your Rep.

A **DRIVER/and/or Guardian** meeting will be called prior to racing. Remember if you do not attend drivers briefing you will not be permitted to race.

You are reminded that the Ministock Class is a REGIONAL CLASS and a LEARNING CLASS in this regard protocol followed for a race meeting may differ from that offered at other tracks.

You are expected to be on the dummy grid when requested, and be “race ready” ie in full attire ready to take the track. Any Driver not ready when called to take the dummy grid, and/or not considered “race ready” may lose their placement in that grid and be requested to run off the back.

The topic of reaction to the “red light” accidents and/or creeping to gain position is always a hot point. You are required to STOP within a reasonable timeframe and WITHOUT causing undue harm to others on the track. Do not “milk” this rule, you will be requested to back up on the track to a placement where the Officials consider you were able to stop and from where you have abused such. Continued breaking of the rule may result in stand down.

Should an incident occur either on the Track or in the pits your first point of contact to discuss such will be with your Rep.

Any parent/guardian wishing to make further comment/complaint may do so *in writing* (not via the Internet) C/- P.O Box 453 Blenheim

THE COMMITTEE'S DECISION IS FINAL
